

The Johnstone's Painter of the Year awards are dedicated to the continued development of the highest standards within the decorating industry.

You are invited to demonstrate the diversity of skill, level of craftsmanship and efficiency of service offered to clients by your business.

Entering is easy and provides you with a chance to be involved in the most prestigious event in the industry calendar.

APPLICATION FORM 2020

ELIGIBILITY

Entries will be accepted from anyone carrying out painting and decorating projects, either on new works, refurbishments or redecoration in the UK or Ireland. Businesses may submit as many projects as desired; however each must be submitted on a separate entry form. Projects must have been completed using either Johnstone's, Leyland or PPG branded paints in the period 1st January 2020 to 18th December 2020.

On submitting an entry the company confirms that it has been the main contractor and that the project has been managed and completed by them. Due to this being a decorative award, sub-contractors who have been significantly involved in the decorative application of coatings should always be recognised.

ASSESSMENT CRITERIA

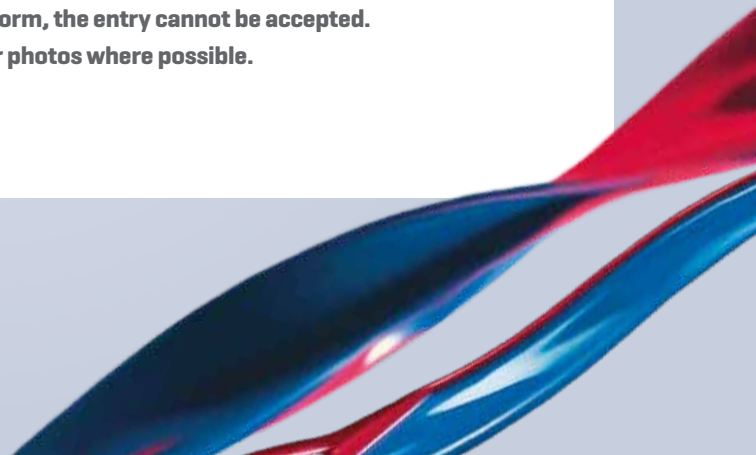

We are looking for projects that demonstrate the highest quality of workmanship, craftsmanship and expertise. The complexity of the job, management of the project and achieving consistent quality will all be considered. Please provide full details of the works being entered, using extra sheets of paper if required.

Each application will be thoroughly assessed by our Judging Panel. Shortlisted works will then be subject to comprehensive site visits from PPG's Technical Judges.

PROJECT PHOTOGRAPHY

Each application must be supported by a minimum of 6 photographs of the completed project. Please ensure every submitted image is labelled with the name of the entrant and email them to Jane Tottles [tottles@ppg.com]

**If photography is not supplied with entry form, the entry cannot be accepted.
Please provide before and after photos where possible.**
